As the 2018-2019 school year wraps up, the Sacramento County Deputy Sheriffs' Association is proud to announce that we awarded 15 scholarships, in the amount of \$1,000 each, to help each student pursue their educational aspirations at institutions that stretch across California as well as the United States, and in professional fields that vary from nursing to athletics.

Recipients are able to use scholarship monies to help cover fees, books and other varying expenses.

The SCDSA Scholarship Program began in 2013 and benefits the children of full time SCDSA members who are preparing to attend or are attending an accredited two year college, four year undergraduate school or trade school. Each year the DSA awards as many as 50 scholarships.
